Dear Business Owner,

Of course, you know that sponsorship enhances name and brand recognition. It connects your business with a growing non-profit organization making a real difference in the community you serve.

A sponsorship will connect you to a new audience for your business. Our homeless shelter is connected to a volunteer network that comprises more than 2,000 people in 31 communities across Genesee County. 2018 will celebrate our 6th Give Me Shelter 5K.

As a valuable member of our community, we would like to invite you to be part our event, which will be held on Saturday, August 11, 2018 at Abernathy Park in Davison. Our timed race brings out both competitive runners and walkers alike. We conclude events with a pancake breakfast for the community in addition to our medal awards ceremony for those finishing at the top of their flight.

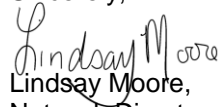

We are looking for local businesses and organizations to help us make this event truly special for our community. As a leader, local business, trusted organization in the community, your involvement would help highlight the importance of give a hand up – instead of a hand out. Proceeds from this event go directly toward Family Promise of Genesee County, more than 90% of our annual budget directly supports program costs versus administrative costs.

The Family Promise model engages community and faith-based organizations to house families facing a housing crisis or period of temporary homelessness. Families entering the program are carefully screened, before entry. Once in the program, families work to build a sustainable living situation. In 2017, we provided 3,534 nights of safe sleep to 18 families and 43 children.

Your support will help find sustainable housing and shelter for the children and their families within the Genesee County Area.

Thank you for being a part of our families' lives!

Sincerely,

Lindsay Moore,
Network Director
Race Co-Chair
